

Employees of Chitown Custom Choppers have access to a growing benefits package designed to support long-term well-being.

Full-time team members are eligible for healthcare coverage after 60 days, along with optional dental and vision plans. PTO

accrues monthly, and employees may roll over unused time up to a capped limit. The shop also offers a tool purchase assistance

program and retirement contributions for eligible staff. All employees receive a standing 20% discount on parts and accessories,

with deeper discounts offered during quarterly staff sales.
