

Chitown Custom Choppers employs a diverse team of specialists. Mechanics are responsible for diagnosing mechanical issues, building custom choppers, and maintaining shop tools. Frame builders fabricate and modify bike frames using approved welding and shaping techniques. Sales associates assist customers with purchases, custom order consultations, and scheduling repairs. Customer service staff handle returns, warranty claims, and general inquiries. All roles require strong communication skills, adherence to safety protocols, and a commitment to delivering high-quality craftsmanship to our riders.
